

Program Name: History

Goal 1

The History program is designed to offer transfer degrees.

Objective 1a

Upon graduation, the student will be able to enroll in a bachelor's degree program in History at the junior level.

Measure

Student surveys, number of degrees received and students transferred-those who received degrees and did not transfer, those who transferred without a degree, those who did not receive a degree and did not transfer.

Objective 1b

The History program will articulate with four-year institutions

Measure

Articulation agreements with four-year institutions and college catalog comparisons

Goal 2

The curriculum in the History program ensures that students meet the general education requirements of Eastern Wyoming College.

Objective 2a

The courses in the History program emphasize skills and knowledge as defined by the general education requirements in the EWC catalog which are communication skills, analytical and quantitative reasoning, technology skills, social awareness, and information literacy.

Measure

Program, course and classroom assessments, degree checks

Goal 3

The curriculum in the program ensures that students develop specialized knowledge in the field of History

Objective 3a

Students will have the opportunity to develop effective oral and written communication skills appropriate to their discipline.

Measure

Successful oral presentations, a well-written research paper, classroom assessments, and completion of the capstone.

Objective 3b

Students will have the opportunity to develop effective critical thinking and problem solving skills.

Measure

Ability to thoughtfully analyze issues as demonstrated in research papers and assignments, classroom evaluations

Objective 3c

Students will have the opportunity to demonstrate an understanding of the issues within their discipline.

Measure

Classroom assessments, research paper, student surveys
